The Wilsons Auctions Guarantee

1. Should any item on the Wilsons Auctions Assured Report not accurately reflect the condition of the vehicle, the purchaser will be entitled to either return the vehicle to Wilsons Auctions and receive a full refund of the price or in the case of minor faults, Wilsons Auctions to rectify the fault at no cost to the purchaser.
2. Where a claim has been raised, the vehicle must be returned to a Wilsons Auctions site for verification. If it is proven that the Wilsons Auctions Assured Report inaccurately recorded the condition of the vehicle, the claim will be upheld and settled as detailed in section 14.
3. Electrical and non mechanical items, including dashboard warning lights, are covered for a period of 48 hours from the fall of the hammer, or until the vehicle leaves site whichever is the sooner. All other defects not reported correctly are covered for a period of 72 hours from the fall of the hammer or a distance of 250 miles whichever is sooner.
4. It is your responsibility to check for and notify Wilsons Auctions of any discrepancies in the recording of electrical equipment, non mechanical items operation or fluid levels before the vehicle leaves site.
5. Where the vehicle is being delivered the guarantee period is extended provided the delivery has been arranged by Wilsons Auctions or a Wilsons Auctions appointed sub contractor the vehicle will email covered by the guarantee until delivered to your site. Any defects must be reported to the driver before he leaves and record on his POD.
